**RESPONSE TO REQUEST BY A PERSON OTHER THAN THE ATTORNEY OR AGENT  
OF RECORD**

The action requested for this application will not be made because the person making the request is not an inventor and is not listed in the application as an attorney or agent of record. In order for correspondence to be entered into the file, it must be signed by the appropriate party under 37 CFR 1.33.

Any changes made in the representation for this application must be submitted using a proper power of attorney document and revocation statement, if applicable.

Questions relating to this Notice should be directed to the Office of Initial Patent Examination, Customer Service at the number below.
